CubiAttAchmentModule

One of basic function module of cubi that be used for manage contacts

Updated Jan 17, 2012 by jack@openbiz.me

Introduction

Add your content here.

The screenshot displays the Openbiz Collaboration system interface. The top navigation bar includes 'Administration' and 'Collab' tabs. The left sidebar contains a 'Collaboration' menu with options like 'Contacts', 'Message', 'Calendar', 'Project', 'Task', 'Work Log', 'Document', 'Announcement', 'Bookmark', and 'Note'. The main content area is titled 'Photo Grid' and describes it as a 'Telephone directory (also called a telephone book and phone book) is a listing of telephone.' It features a grid of contact photos, each with a name and a company tag (e.g., 'Client', 'Business'). The interface also includes a search bar, a 'Go' button, and a 'Help' section at the bottom.
